## NYC's #1 VIRTUAL PIZZA-MAKING EXPERIENCE

WE'RE WORLDWIDE!

"Virtual team building at its best! We had tons of fun!"

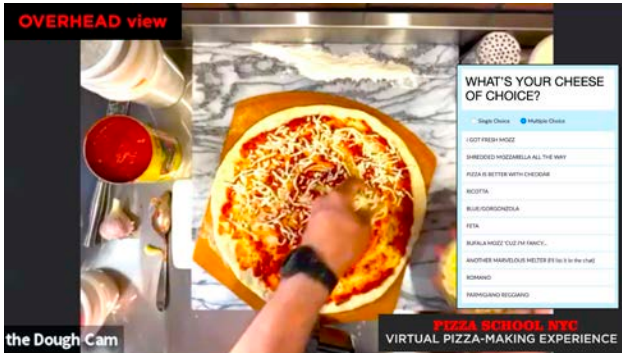

Manolita B. ★★★★★ Google

**It's all smiles!** We've created the same caliber 5-star events (yes virtually!) that our customers have praised in online reviews, delivering a truly shared experience for colleagues/clients/friends and family.

**the Dough Cam** transports participants to the front row of all the pizza-making action to follow along with our expert, altogether easy-to-follow instructions.

Lively **Interactive Chat and Polls** throughout the event where participants and the instructor ask questions, share ideas, and shout out to everybody's favorite pizzerias!

**WHERE EVERYBODY GETS TO TO THROW DOUGH LIKE A PRO!**

"**Synchronized Stretching**" is the magical moment when all pizza-making participants on screen see each other simultaneously stretching pizza dough like pros!

**PIZZA SCHOOL NYC EXCLUSIVE TECHNOLOGY** where you'll travel with the pizza in and out of the oven!

**The Proof is in the Pizza** describes the moment when everybody gets to marvel at the incredible pizza they just made in their home kitchen!
